

Woodrow Wilson High School Community Foundation

Application for Financial Assistance

INTRODUCTION

The Woodrow Wilson High School Community Foundation (the “Foundation”) was formed to support educational programs at Woodrow and the schools in its feeder pattern to encourage and promote the highest standards possible for public education in the City of Dallas. The Foundation is an IRS 501(c)(3) approved Texas nonprofit corporation and serves as a central point for fundraising, grants, scholarships, and other programs and projects that support and nurture public schools in the Woodrow feeder pattern. For certain academic programs or services, the Foundation may provide financial aid to students who qualify for assistance. In addition, the Foundation administers certain college scholarship programs for Woodrow graduates.

For what programs will the Foundation provide financial assistance?

A partial list includes: registration and examination fees associated with International Baccalaureate courses (through the Ann Jacobus Folz International Baccalaureate Financial Aid Fund); examination fees for Advanced Placement exams; tuition for other pre-requisite courses for IB, AP or Dual-Credit courses; and application fees for extracurricular academic programs (*e.g.*, DECA).

In general the Foundation does not provide financial assistance for non-academic programs, such as sports, spirit, visual or performing arts, JROTC, or graduating class activities.

Who may receive financial assistance?

Any student presently enrolled in one of the schools within the Woodrow Wilson High School feeder pattern (*i.e.*, Woodrow Wilson High School, J.L. Long Middle School, plus Stonewall Jackson, Lakewood, Robert E. Lee, William Lipscomb, Eduardo Mata, Mt. Auburn, and O.M. Roberts Elementary Schools) may apply; approval is made on a case by case and first come/first served basis.

How much financial assistance will the Foundation provide?

The Foundation believes a strong sense of ownership and pride is developed when the financial assistance recipient contributes to the cost of the educational program. Therefore, applicants will be asked to pay a portion of the fees or tuition.

The Foundation, at its discretion, may grant up to 90 percent of the requested fees or tuition. The Foundation will work with school administrators to determine deadlines for applications.

How is the application evaluated and who reviews the application?

All applications will be reviewed by the Financial Assistance Review Committee, all of whom are members of the Board of Directors of the Woodrow Wilson High School Community Foundation. All information about applicants will be handled confidentially, but the Committee reserves the right to confer with school administrators and to check employment or other references on any application.
